OUR PROMISE TO YOU

The health & safety of our guests, staff, and community is our top priority!

KEEPING IT CLEAN!

Tables and chairs are sanitized before and after each guest. We will remain diligent with high contact touch points and washrooms, as well as other surfaces throughout the building. As always, we are following all government health and food safety guidelines to ensure a safe and healthy experience for you, our guests!

STAYING HEALTHY!

Our staff's health is monitored daily. They have been advised not to report to work and to seek medical attention if they are experiencing flu-like symptoms or have come into contact with any affected individuals.

WASHING OUR HANDS!

Our team is washing their hands between all contact and there is hand sanitizer available throughout the restaurant – front and back.

SINGLE-USE ITEMS!

Some of our steps of service may be a little different, to assure "less-contact" service throughout your experience. The menu can be viewed on your phone or we have single-use copies. Most of our condiments will be single-use packaging. If you need anything at all, please ask us!

CONTACTLESS PAYMENT!

Whatever you need let us know. Pay over the phone. Curbside delivery. Contactless delivery to your house. Tap payment at the table. Just let us know!

SPREAD OUT!

The tables are spread out to comply with the current provincial health & safety guidelines. We are operating at reduced capacity. The staff will try to distance themselves as much as possible, and the addition of plexiglass will reduce possible contamination spread as well.

YOUR PROMISE TO US *Please do your part in protecting our community*

STAY HOME

Please stay home if you are feeling sick! You can always order for delivery by calling 403-331-2222 or visiting www.twoguypizza.ca

RESERVATIONS – ABSOLUTELY!

For now, we are taking reservations for all times and all days. This will help us spread out the parties and know which guests are joining us and when. We also ask that you wait outside or in your car as much as possible for your table and please do not arrive more than 5 minutes early. Please be respectful in regards to the length of your dining time, so we can facilitate all our reservations. We only have 8-9 tables! We are required to gather information for potential contact tracing for every table. Thanks for understanding. Cheers

HAVE FUN... 6 FEET APART

Spread out and minimize contact with other guests as much as possible. We ask that "joiners" or other guests do not sit at your table. Thanks

BATHROOMS

Only two guests in each washroom at a time please. And we trust that you are washing your hands before and after too! There are sanitizer stations throughout the restaurant as well. Thanks

BAR SERVICE IS LIMITED

The bar seating is very limited. Please remember to spread out if sitting there. We generally reserve these seats for one party or family unless social distancing can be achieved otherwise. Thanks for understanding.

ASK FOR A TO-GO BOX

If you need anything at all, please ask. When you are

done and you wish to take food home, we ask that you box it up yourselves at the table to assure less contact with your food. If you want your food served in a box, we can make that happen too! Thanks

MASKS

Lethbridge currently has a Temporary Mandatory Face Covering Bylaw. We ask that all customers wear a mask when in the public space at the front of the restaurant, when visiting our public bathrooms and when walking to your table. When you are consuming food or drinks at your table, you may remove your face covering. Thanks for your cooperation.

USE TAP FOR PAYMENT

We will take what we can get...but tap is awesome! Thanks.

PIZZA MATH

People in your group X average slices per person, then divide by the number of slices in the pizza you choose.
Ex. - 6 people X 4 slices = 24 slices divided by 12 (slices in each XL pizza) = 2XL pizzas can feed roughly 6 people

*keep in mind that bigger pizzas mean the slices get bigger and the value is greater per bite!

IT'S GREAT
TO SEE YOU!
